Architecture

- Truly original home designs are sketched in front of you beginning with a blank canvas.
- Design Build strategy is faster, seamless, and more economical, ensuring your home is designed with you budget in mind.
- Collaborative and fun design approach provides multiple creative solutions.

Custom Homes

- Architect led building process ensures adherence to design and quality standards.
- Your project budget, schedule, selections, warranty info and more are all transparent and available to you on your smart phone or tablet.
- Our "Smart Buyer" program ensures you get the best price for any product you want for your home.

Remodeling

- Architect led solutions to site issues avoid compromise, reduce delays and are sensitive to your budget and vision.
- Daily updated schedule, budget and project logs eliminate surprises.
- Technical expertise from over 100 years of industry experience.

"Tony's firm was able to **come up with innovative and cost saving ideas throughout the design/build process.** He has the "it" factor, one that brings a huge amount of passion, confidence, knowledge and very key, trust to the client. That's why you need A. Perry Homes." —TONY AND JEFF PALAN
